[Stephen Lynch](#)

Advisory - the following lyrics contain explicit language:

Pokemon's a silly faze  
Barney's now just purple haze  
The Power Rangers lost their will to fight Yeah the pigs in space, they rule the sky  
And Oscar's still a grouchy guy  
And Animal is looking dyno-mite Oh Jim Henson's dead and gone  
But his muppets will live on  
And Kermit's still hot, 'cause it's still not  
Easy being, green Bert is mad 'cause Ernie can't hear  
With a banana in his ear  
They must learn how to cooperate Yeah The Count is counting One Two Three  
And no one laughs at poor Fozzie  
And Scooter's pissed 'cause Raulf is always late Oh Jim Henson's dead and gone  
But his muppets will live on  
And Kermit's still hot, 'cause it's still not  
Easy being 1 2 3 4 5, 6 7 8 9 10, 11, 12 Now Miss Piggy's just a big slab of pork  
To the Swedish Chef who says "Mmm, pork pork pork"  
And Cookie Monster wants another, bite Yeah and Big Bird well he just can't see  
Why the two old guys in the balcony  
Think Snufalufagus is out of, site Oh Jim Henson's dead and gone  
But his muppets will live on  
And Kermit's still hot, 'cause it's still not  
Easy being, green Oh Jim Henson's dead and gone  
But his muppets will live on  
And Kermit's still hot, 'cause it's still not  
Easy being, green Easy being green, no
