Never Alone (feat. Sara Evans)

Jim Brickman

May the angels protect you, trouble neglect you
And heaven accept you when it's time to go home
May you always have plenty, the glass never empty
And know in your belly, you're never aloneMay your tears come from laughing, you find friends worth having
As every year passes, they mean more than gold
May you win and stay humble, smile more than grumble
And know when you stumble, you're never aloneNever alone, never alone
I'll be in every beat of your heart when you face the unknown
Wherever you fly this isn't goodbye
My love will follow you, stay with you, baby, you're never aloneWell, I have to be honest as much as I wanted
Im not gonna promise that cold winds won't blow
So when hard times have found you and your fears surround you
Wrap my love around you, you're never aloneNever alone, never alone
I'll be in every beat of your heart when you face the unknown
Wherever you fly this isn't goodbye
My love will follow you, stay with you, baby, you're never aloneMay the angels protect you, trouble neglect you
And heaven accept you when it's time to go home
So when hard times have found you and your fears surround you
Wrap my love around you, you're never aloneNever alone, never alone
I'll be in every beat of your heart when you face the unknown
Wherever you fly, this isn't goodbye
My love will follow you, stay with you, baby, you're never alone
My love will follow you, stay with you, baby, you're never alone
