

My Cowboy

Jessie James

You're gonna have to meet my mama
Gonna learn to say, yes mam
Gotta learn to call me hun If you wanna be my cowboy
Gotta treat me like a lady
Get the door and hold my hand
Better tell me that I'm pretty If you wanna be my cowboy
I ain't got no time for players
Ain't no one ride rodeo
Ain't got room for no heartbreakers Giddy up, giddy up, go
Grab my hand and take me dancing
Show me off to all your friends
Rub my back and call me baby
If you wanna be my cowboy
Oh, ya ya Better buy my favorite pony
Better learn my favorite song
Gotta lay some bling upon me If you wanna be my cowboy
I ain't got no time for players
Ain't no one ride rodeo
Ain't got room for no heartbreakers Giddy up, giddy up, go
Grab my hand and take me dancing
Show me off to all your friends
Rub my back and call me baby
If you wanna be my cowboy Saddle up and take me for a little ride
Lay me down on a blanket ya
By the river side, yeah, yeah, yeah
Woooo Come on boys
I ain't got no time for players
Ain't no one ride rodeo
Ain't got room for no heartbreakers Giddy up, giddy up, go
Grab my hand and take me dancing
Show me off to all your friends
Rub my back and call me baby
If you wanna be my cowboy
Wanna be my cowboy
Oh, ya ya ya
