Deftones

You can't talk
I'm anxious
I'm off the walls
I'm right here just Come outside
And see it
But pack your heart
You might need it I'll find a way
I'm confused though
But I think I can try
I will save your life
I will save your life
I'll try for you You're locked up
You exhaled
You did it before
And I seen it Come outside
And breathe in
Relax your arms
And let me in I'll find a way
I'm confused though
But I think I can try
I will save your life
I will save your life
I'll try for you I know what to say
To take you
Higher, higher
No one else can
Take you higher
But I will try I'll find a way
I'm confused though
But I think I can try
I will save your life
I will save your life
I'll try I'll find a way
I'm confused though
But I think I can try
I will save your life
I will save your life
I'll try for you For you
