## Culture Beat

Call him Mr Raider, call him Mr Wrong, call him Mr Vain  
Call him Mr Raider, call him Mr Wrong, call him insane  
He'd say : I know what I want, and I want it now  
I want you, 'cause I'm Mr Vain  
I know what I want, and I want it now  
I want you, 'cause I'm Mr VainCall me Raider, call me wrong  
Call me insane, call me Mr Vain  
Call me what ya like,  
As long as you call me, time and again  
Feel the presence of the aura of the man none to compare  
Loveless dying for a chance  
Just to touch a hand, or a moment to share  
Can't deny the urge that makes them want to lose themselves  
To the debonair one  
Hold me back the simple fact is that I'm all that  
And I'm always near  
One sexy can't perplex me now, you know who's raw  
As if you didn't know before  
I know what I want, and I want it now : I want you  
Then I want a little moreGirls are all over the world  
They hope and pray and die for men like me  
Cause I'm the one begotten son that breaks the mold  
Get a look at the male epitome  
Style has never seen that makes you want to grab and hold  
And squeeze real tight  
Who's gonna be the one to save you from yourself  
When you want to take a bite  
Please oh baby please  
You beg, you want to say you got to get some caught up in the charm  
That I laid on thick, and now there's nowhere to run  
Just another fish to on the hook of my lines yeah I keep many  
Females longing for a chance to win my heart with S-E-X and plenty
