

Because (From the Musical "Time) [Remastered]

[Julian Lennon](#)

Dave clark

From dave clark's 1986 musical "time" It's right that I should care about you

And try to make you happy when you're blue

It's right, it's right to feel the way I do

Because, because I love you It's wrong to say I don't think of you

Cause when you say these things

You know it makes me blue Give me one kiss and I'll be happy

Just--just to be with you Give me, give me a chance to be near you

Because, because I love you It's wrong to say I don't think of you

Cause when you say these things

You know it only makes me blue Give me one kiss and I'll be happy

Just--just to be with you

Give me, give me a chance to be near you

Because, because I love you

Because, because I love you
