# About the Cross

## Kara Montanez

About the Cross
Kara Montanez

If I have just one more song that I could sing you
One more story I could tell before I leave
If I only have one message I could bring you
Thereâ€™s no question it would beâ€¦

Chorus:
About the Cross
About the Blood
About the place I found Godâ€™s mercy and love
And although itâ€™s bittersweet
Remembering the cost
Thereâ€™s something beautiful
About the cross

I could sing about the state of grace I live in
And the peace and joy I have when times are tough
Then you see in all the blessings Iâ€™ve been given
In the end my life is justâ€¦
(Chorus)

2,000 years ago if I had watched Him die
Iâ€™d think I wouldâ€™ve lost all hope demanding to know why
But I know the cross meets everything
And itâ€™s the greatest honor to sing
(Chorus)

About the Cross
About the Blood
About the place I found Godâ€™s mercy and love
And although itâ€™s bittersweet
Remembering the cost
Thereâ€™s something beautiful
Something incredible
Something wonderful
About the Cross
