About the Cross  
Kara Montanez

If I have just one more song that I could sing you  
One more story I could tell before I leave  
If I only have one message I could bring you  
Thereâ€™s no question it would beâ€!

Chorus:

About the Cross  
About the Blood  
About the place I found Godâ€™s mercy and love  
And although itâ€™s bittersweet  
Remembering the cost  
Thereâ€™s something beautiful  
About the cross

I could sing about the state of grace I live in  
And the peace and joy I have when times are tough  
Then you see in all the blessings Iâ€™ve been given  
In the end my life is justâ€!  
(Chorus)

2,000 years ago if I had watched Him die  
Iâ€™d think I wouldâ€™ve lost all hope demanding to know why  
But I know the cross meets everything  
And itâ€™s the greatest honor to sing  
(Chorus)

About the Cross  
About the Blood  
About the place I found Godâ€™s mercy and love  
And although itâ€™s bittersweet  
Remembering the cost  
Thereâ€™s something beautiful  
Something incredible  
Something wonderful  
About the Cross
