

I'll Never Be Anybody's Hero Now

[Morrissey](#)

Warm lights from the grand houses blind me
Haves cannot stand, 'Have Nots'
And my love is under the ground
My one true love is under the ground And Ill never be, Ill never be
Ill never be anybody's hero now
Ill never be, Ill never be
Ill never be anybody's hero now They who should love me, walk right through me
I am a ghost and as far as I know I haven't even died
And my love is under the ground
My one true love is under the ground And Ill never be, Ill never be
Ill never be anybody's hero now
Ill never be, Ill never be
Ill never be anybody's hero now See as I, see as I, see as I Ill never be, Ill never be
Ill never be anybody's lover now
Ill never be, Ill never be
Ill never be anybody's lover now Things I've heard and I've seen, and I've felt, and I've been
Tell me Ill never be anybody's lover now
It begins in the heart and it hurts when it's true
It only hurts, because it's true
