

# Letting the Cables Sleep

**Bush**

You in the dark, you in the pain, you on the run  
Living a hell, living your ghost, living your end  
Never seem to get in the place that I belong  
Don't wanna lose the time, lose the time to come Whatever you say it's alright  
Whatever you do it's all good  
Whatever you say it's alright Silence is not the way  
We need to talk about it  
If heaven is on the way  
If heaven is on the way You in the sea, on a decline  
Breaking the waves  
Watching the lights go down  
Letting the cables sleep Whatever you say it's alright  
Whatever you do it's all good  
Whatever you say it's alright Silence is not the way  
We need to talk about it  
Heaven is on the way  
We'll wrap the world around it If heaven is on the way  
If heaven is on the way I'm a stranger in this town  
I'm a stranger in this town  
I'm a stranger in this town If heaven is on the way  
If heaven is on the way I'm a stranger in this town  
I'm a stranger in this town
