

# Jealousy

Jean B. Gerbier

Jealousy

All I have is memory to cherish in my heart.  
It was over my jealousy that it all ended.  
Although I went out to play a lot, it did not  
justify the reason you left me.

Chorus

Jealousy, Jealousy, Jealousy; all I got is memories.  
Jealousy, Jealousy, Jealousy, to cherish in my heart.  
Jealousy, Jealousy, Jealousy, your love was so cruel to me.  
Jealousy, Jealousy, Jealousy, my heart was broken in two.  
Jealousy, jealousy, jealousy, with desire to make you mine.

I never thought that your love was so cruel to me.  
My heart was broken with desire to make you mine.  
Was it over the text messages from my co-workers?  
I remain obsoletely positive about you returning back to me.
