

# Haze Away

## Solids

Follow me on the road to erection  
Only love, my falling shoffeur.  
Well, you don't have to get waisted none,  
She's on search for solid ground.It's like so many days, my honey,  
Not so many brains to eat.  
I've lost my any way,  
Take this haze away!Never rest on the bullies's side!  
Sell those dream while we should know.  
Know why all your patients have been mine,  
Just hope we can move on...  
It's like so many days, my honey,  
Not so many brains to eat.  
I've lost my any way,  
Take this haze away!  
Take my haze away!  
Take my haze away!You take me  
Running on and on.  
That's why I should have stayed away from...
