Lachlom

Yael Naim

I wanted wings
To the horizon meanwhile
I wanted to approach
The other side of the rainbowLet him dream, human being
He needs to dream
Let him breathe, human being
Asking to breatheI have sadness and suddenly
I want to sail on the water
I have magic and suddenly
I want to fly to the skyI have time
To look and dream
Upon the day, the other day
And the day after tomorrowI wanted to touch
Our bliss
I wanted to know
Where we came fromLet her laugh, human being
She needs to laugh
Let her see your heart
It wants to live
