

There's More To Me Than You (Ballad)

Jessica Andrews

I spent years and all of this time
Thinkin' I was better off
'Cause you were mine
You always said it was your way or the highway
So i shifted my life into drive
Gettin' out kissin' my past goodbye
Like Toby said how do ya like me now
This conversation has run dry
And I keep tellin' myself Oh oh oh there's more to me than you
Oh oh don't underestimate what I can do
'Cause I'm alright
It's ok
I know I'll make it through
'Cause there's more to me than you I'm not sayin' I'm battered or bruised
But I might as well be the words that you used
I believe in myself
That makes me stronger
Things change and so have I
I'm gonna make hay while the sun still shines
You can clip my wings but I'm still gonna fly
I'm on my own and on my way
And I keep tellin' myself Oh oh oh there's more to me than you
Oh oh don't underestimate what I can do
'Cause I'm alright
It's ok
I know I'll make it through
'Cause there's more to me than you There was always somthin' that meant more to you than me
And I'm just sorry it's taken this for you to see Oh oh oh there's more to me than you
Oh oh don't underestimate what I can do
'Cause I'm alright
It's ok
I know I'll make it through
'Cause there's more to me than you Oh oh oh there's more to me than you
Oh oh oh there's more to me than you
