

See the Glory

Steven Curtis Chapman

I never did like the word mediocre
I never wanted it to be said of me, oh, no
Just point me to the job and I'd go over, over
Looking for the very best that could be So what is this thing I see
Going on inside of me?
When it comes to the grace of God
Sometimes it's like I'm playing Gameboy standing in the middle of the Grand Canyon
I'm eating candy sittin' at a gourmet feast
I'm wading in a puddle when I could be swimming in the ocean
Tell me what's the deal with me, wake up and see the glory Ever star in the sky tells his story
And every breeze is singing his song
All of creation is imploring
Hey, come see this grand phenomenon The wonder of his grace
Should take my breath away
I miss so many things
When I'm content with playing Gameboy standing in the middle of the Grand Canyon
Or eating candy sittin' at a gourmet feast
Or wading in a puddle when I could be swimming in the ocean
I know the time has come for me to, wake up and see the glory Wake up and see the glory How could I trivialize
it
This awesome gift of God's grace?
Once I have come to realize it
I should be speechless and amazed Wake up and see the glory
Open your eyes and take it in
Wake up and be amazed
Over and over again Wake up and see the glory
Open your eyes and take it in
Wake up and be amazed
Over and over again God's love is coming to you and to me
Wake up, wake up
Open your eyes
Over and over again Way there, come on take it in
