I know you're bobbin' your head, 'cause I can see huh, yeah
I know you're bobbin' your head, 'cause I can see huh, yeah
I know you're bobbin' your head, 'cause I can see huh, yeah
I know you're bobbin' your head, 'cause I can see huh, yeah You can't see me, hah
Back up in that ass once again
With some of Dat Nigga Daz shit
Beatin' up on your ear drums with some of that G Funk Some of that gangsta funk
Some of that ghetto funk
Call it what you want, just don't forget the G
Got the motherfuckin' Dogg Pound in the house Now tell me what's poppin' in your head my brother?
What, you wanna do end up dead, motherfucker?
I don't know why we got to kill each other
'Cause on the streets it's do or die, motherfucker Now as a child I was raised in the church
Now what ever possessed me to do the shit
That I do to put you in the dirt
I gives a fuck about a nigga on the street I'm runnin' ninety four and I done ran ninety three
Don't like no hurdle for the murders
I committed in my Omni Ford convertible
And not a soul saw who did it
As I lean to the side in my Omni G-Ride
On a mission, fo' deep, Dogg Pound, do or die Now if you see me mobbin' down the street what would you think
(Not)
Realizing that I'm surviving off instinct
What makes my mind click to perfect timing
For me to twist shit switchin' bullshit
The fuck up like The Shining 'Cause I'm in my own zone, alone I'm found
You think you saw but death is all round like a ghost town
Perhaps you know I acts a fool if I have to
Can you comprehend or adapt to Respect to the death row inmates
Death row Inmates lawd dem never hesitate
To bust a gun shot, in a idiot face
Dis is Dogg Pound and your life goes to waste Fraid, Dogg Pound carry no grace

Lifetime in static, put you inna your place
 Dogg Pound be killin' a bitch mentality
 Mess with Dogg Pound and you be dead each way, lawdNow wit Dat Nigga Daz, everywhere I roll I'm set to
 blast
 The rate of success is elevating too fast
 Every corner that I turn, there's money to burn
 With no concern count the amount, there's more to be earnedSet-trip, the word I hear every nigga spit
 Sixty percent's trippin' forty percent's bullshit
 Industry's shady, my safety's in jeopardy
 Control the mind with mental telepathy, niggaShady as fuck, Kurupt can see it in your eyes
 Anticipatin' for the real to come from the disguise
 The Pound, we roll thick like one time
 And I could fuck your bitch after I bust just one rhymeAll we do is smoke weed and get blitzed
 And kick that motherfuckin' gangsta shit
 (Say what, say what, say what, say what, say what?)
 Kick that motherfuckin' gangsta shitWell, I see myself on top, by the age of twenty two
 Or will I drop a fallen star that has been forgotten not in the past
 I only hustled for the cash
 Suprised to see that nigga rise up on that assAnybody killa, do or die if I have to
 On deck, twenty four seven and blastin' if I have to
 I live my life, I done swore to courtin' trigger long
 Who would stop the movement why I journied so farFrom the danger that lurks, from the one that's out doin'
 dirt
 Step to modify this and vanish away from this earth
 Beyond the heartbreaks and heartaches, rest in peace
 Riders died, death is unexplainable when you dieWe don't got to stoop low
 We don't got to stoop low
 We don't got to stoop to your levelBut when they see, we coming lawd
 Now when they see, we coming lawd
 Now when they see, we coming lawd they tremble
 'Cause we a rebel, terror from a well fractured gunAnd you know we keep it real to make your life invisible
