

You Bitch

Fefe Dobson

My heart stopped beating
The day that you got busy
Busy diggin' my graveD-d-d-dyin'
D-d-d-dyin'
D-d-d-dyin' hereAnd oh like
Like outta nowhere you changed
So got that feeling
Feeling it in my painD-d-d-dyin'
All used up from crying
I'm d-d-d-dyin' hereYou bitch, he's mine
You're such a waste of time
You better give him back to meYou bitch, he's mine
Go, find some other guy
You better give him back to meOh, you can't love him like I love him
You don't know him like I know himYou bitch, he's mine
You're a waste of time
You better give him back to me
Back to meSo watch your front and your back
'Cause you can't take him
Away from me like thatSee you never tell the truth
And all you do is lie
It doesn't really bother you
To know that I'm not fineI'm d-d-d-dyin'
All used up from crying
I'm d-d-d-dyin' here
D-d-d-dyin' hereYou bitch, he's mine
You're such a waste of time
You better give him back to meYou bitch, he's mine
Go, find some other guy
You better give him back to meOh, you can't love him like I love him
You don't know him like I know himYou bitch, he's mine
You're a waste of time
You better give him back to me
Back to meYeah, somebody's gonna pay for this one
Nobody's gonna break my heart again
Somebody's gonna pay for this one
Gimme what's mine
So I can finally breathe again
I'm dying hereD-d-d-dyin'

All used up from crying
I'm d-d-dyin' here You bitch, he's mine
You're such a waste of time
You better give him back to me You bitch, he's mine
Go, find some other guy
You better give him back to me Oh, you can't love him like I love him
You don't know him like I know him You bitch, he's mine
You're a waste of time
You better give him back to me You bitch, he's mine
Go, find some other guy
You better give him back, back
Give him back, back to me
