

If I Find Love

[Dolorean](#)

Thirty years, i'm nearly half way home
more or less, i'll never know
well, my heart is been broken,
well my heart is still strong
If i find love i wont let it go
If i find love i wont let it go See, the trouble is i've been on both sides
been in jail as husband and with other's wives
i get no pleasure in pain or gain on pride
If i find love i'm gonna make it mine
If i find love i'm gonna make it mine
Waking up early 'cos i can't sleep
getting wild on a bottle 'cos i don't need
I have a habit of getting in a little dirty
If i find love will be the end of me
If i find love will be the end of me
If i find love
If i find love
