

X Up (feat. The Frim & Messinian)

Excision

X,
i ain't talkin pills that you poppin,
u want endorphins rush to ur noggin and ur jaws all lockin,
X
, changin were rearangin ur brain, composition your dna with the poison we droppin,
X,
let the unexpected project it upon your neurological screening whenever we wreck it,
X,
??? Sending u to intensive care therapy its ill when the syrums injected,
X, ?? The cadence? Is gettin deadly,
X, whenever u quicken is u ready, X,
if u ??????? With machetes, lemme see u throw ur X UP! X UP x6 NOW THROW YOUR X UP!!!
X!!
