

# Real Love (Ty Boogie Blend)

Mary J. Blige

We are lovers true and through and through  
We made it through the storm  
I really want you to realize  
I really want to put you on  
I've been searchin' for someone  
To satisfy my every need  
Won't you be my inspiration  
Be the real love that I need Real love  
I'm searchin' for a real love  
Someone to set my heart free  
Real love  
I'm searchin' for a real love Oh, when I met you I just knew  
That you would take my heart and run  
Until you told me how you felt for me  
You said I'm not the one  
So I slowly came to see  
All of the things that you were made of  
And now I hope my dreams and inspirations  
Lead me to want some real love Real love  
I'm searchin' for a real love  
Someone to set my heart free  
Real love  
I'm searchin' for a real love I got to have a real love  
Loves so true and oh baby  
I thought your love was true  
I thought you were the answer to  
The questions in my mind  
But it seems that I was wrong  
If I stay strong maybe  
I'll find my real love So I try my best and pray to God  
He'll send me someone real  
To caress me and to guide me towards  
A love my heart can feel  
Now I know I can be faithful  
I can be your all in all  
I'll give you good lovin' through the summertime,  
Winter, spring, and fall Real love  
I'm searchin' for a real love  
Someone to set my heart free

Real love  
I'm searchin' for a real loveReal love  
I'm searchin' for a real love  
Someone to set my heart free  
Real love  
I'm searchin' for a real loveYou see I'm searching for a real love  
And I don't know where to go  
Been around the world and high and low  
And still I'll never know  
How it feels to have a real love  
Cause it seems it's not around  
Gotta end it in this way because it  
Seems he can't be foundReal love  
I'm searchin' for a real love  
Someone to set my heart free  
Real love  
I'm searchin' for a real loveReal love  
I'm searchin' for a real love  
Someone to set my heart free  
Real love  
I'm searchin' for a real love
