

# Beer In Mexico

[Kenny Chesney](#)

Starin' out into the wild blue yonder  
So many thoughts to sit and ponder  
'Bout life and love and lack of  
And this emptiness in my heart Too old to be wild and free still  
Too young to be over the hill  
Should I try to grow up?  
But who knows where to start So I just  
Sit right here and have another beer in Mexico  
Do my best to waste another day  
Sit right here and have another beer in Mexico  
Let the warm air melt these blues away Sun comes up and sun sinks down  
And I seen 'em both in this tourist town  
Up for days in a rage  
Just tryin' to search my soul From the answers and the reasons why  
I'm at these crossroads in my life  
And I really don't know  
Which way to go So I just  
Sit right here and have another beer in Mexico  
Do my best to waste another day  
Sit right here and have another beer in Mexico  
Let the warm air melt these blues away Maybe I'll settle down, get married  
Or stay single and stay free  
Which road I travel  
Is still a mystery to me So I just  
Sit right here and have another beer in Mexico  
Do my best to waste another day  
Sit right here and have another beer in Mexico  
Let the warm air melt these blues away Down in Mexico
