Old Skool (Fatima Yamaha Remix)

Metronomy

I love acting, I'm not acting Swipe that old thing for this new thing In the city we drive taxi In the front seat you won't find me You keep your friends, I'll keep my friends Have a party in the West End Make some money, make more money With your new friends throw a partyI've got silver and signet ring From night climbing and fine dining I love sex and I love dancing And reclining in your backseat You keep your friends, I'll keep my friends Have a party in the West End Make some money, make more money With your new friends throw a party Watch your percent, watch your money And stop acting, acting funny In the city we smoke taxi In the backseat's where you'll find me You keep your friends, I'll keep my friends Have a party in the West End Make some money, make more money

With your new friends throw a partyYou keep your friends, I'll keep my friends Have a party in the West End

Make some money, make more money

With your new friends throw a party Yeah yeah yeah yeah yeah yeah yeah yeah

Yeah yeah yeah yeah yeah yeah yeah Yeah yeah yeah yeah yeah yeah yeah Yeah yeah yeah yeah yeah yeah yeah Yeah yeah yeah yeah yeah yeah yeah Yeah yeah yeah yeah yeah yeah yeah Yeah yeah yeah, yeah yeah, yeah yeah
