

# I Check For You

## Code Red

You know I check for you now  
Nothing I would'n do now  
Ain't no other girl could yurn my head  
For the first time I clocked you  
I knew I had to have you  
Ain't no other girl gonna share my bed  
Other girls may come and go  
You're the one I've wanted to know  
Give it give it give it to me

### CHORUS:

I check for you can I flex with you  
I check for you can I flex with you  
Wanna be with you wanna flex with you all night  
Check baby, check baby let me know what's going on  
I wanna flex with you girl  
Something I gotta do girl  
And no other girl come even close  
I try to keep my cool now  
But I could be a fool now  
'cause your kind of love I need the most  
I just gotta knock your boots  
I can bow and I can shoot  
Give it give it give it give it to me

### CHORUS

Check baby check baby do you wanna flex x 8
