

Lay Your Money Down

The Exies

Come lay your money down
Constant wave of sound

This is not necessary
This is not ordinary
This is my last confession
This is for my own protection now

Come lay your money down
Come lay your money down
Come lay your money down
Come lay your money down

Sick of this, I'm sick of hurt
And shame is such a dirty word
Strung out and falling down

This is not necessary
This is not ordinary
This is my last confession
This is for my own protection now

Come lay your money down
Come lay your money down
Come lay your money down
Come lay your money down

Sick of this, I'm sick of hurt
And shame is such a dirty word
Sick of this, I'm sick of hurt
And shame is such a dirty word
It's a dirty word

Punch the ballot for the talking heads they sold
Like the cars, the pills, the booze
And the soap that cleans your soul
The TV reality shows you what's a stake

So cry like you mean it till the next commercial break
And consider yourself for the wealth and consumption

Me you say, I'm no spectator at the revolution

Sick of this, I'm sick of hurt
And shame is such a dirty word
Sick of this, I'm sick of hurt
And shame is such a dirty word

Sick of this, I'm sick of hurt
And shame is such a dirty word
Dirty word, dirty word
