

Meat and Potato Man

[Alan Jackson](#)

I like my steak well done, my taters fried
Football games on Monday nightIt's just who I am
A meat and potato manI like my coffee black, old TV shows
My women hot and my beer ice coldIt's just who I am
A meat and potato manI don't like caviar, sushi bars
The IRS or phony stars, I'm a Haggard fanA meat and potato man
Oh, yeahI like my fishin' holes, lightnin' bugs
Flatt 'n' Scruggs and my womans loveIt's just who I am
A meat and potato manI like my Wrangler jeans, cowboy boots
Cornbread and beans and country rootsIt's just who I am
A meat and potato manI don't like politics, hypocrites
Folks with poodles dressed like kids, I'm a Hound dog fanA meat and potato man
Yeah, thats what I am
A meat and potato man
