

# **surgery**

## **husband&wife**

Be what I can't be  
To these boys  
For I fall short  
Of your glory  
Help me  
For I am inconsistent  
And inconsistency is not what they need

But your steady pulse that breathes life  
Into all things  
Lord, help them to see  
Help them to see

Give them courage  
When they're fearing  
Reassure them  
When their doubting  
Give them faith through  
All their questioning, Lord  
Show them the love  
That only you can

Through your steady pulse that breathes life  
Into all things  
Lord, help them to see
