Cry No More

Virtue

Only one way, I am the key
Life and love are only given through me
I care about your heart and what you've been through
I'm waiting here patiently for youLet not your heart be troubled, you're never left all alone, yeah
Cast all your cares upon me, when you are weak I'll be strongI'll wipe away your tears, calm your fears
I'll give freely, just ask of me
I'll take away your pain, remove all shame
My love's for sure cry no more, cry no moreSo you say, say you don't believe someone could love you unconditionally
You say you've been hurt before, you don't wanna be hurt no more
If you only you could see, you can rely on meThose tears you cry, I cried a thousand times, I know just how you feel
But joy comes once you realize the love I have is realI'll wipe away your tears, calm your fears
I'll give freely, just ask of me
I'll take away your pain, remove all shame
My love's for sure cry no moreLet not your heart be troubled, you're never left all alone
Cast all your cares upon me when you are weak, I'll be strongI'll wipe away your tears, calm your fears
I'll give freely, just ask of me
I'll take away your pain, remove all shame
My love's for sure cry no more, cry no more
