All I Wanted to Do Was Dance

Los Lobos

Who's feeling sorry now?
Just when I thought I knew how
The man with the master plan
Let it all slip through my handsWhy did you turn on me?
I'm the same man that I used to be
Did you forget who I am?
I'm the man with the master planBut every day's the same
Nothing seems to change
My life is just minutes away
And all I wanted to do was danceHow could this happen to me?
I had it all worked out to a T
Went through it with a fine toothed comb
Now you want to leave me aloneEvery day's the same
Nothing seems to change
My life is just minutes away
And all I wanted to do was danceI didn't ask for much
I maybe didn't ask for enough
I maybe should've forced your hand
But all I wanted to do was dance
