

# The Walk

Mayer Hawthorne

So long you did me wrong  
So long you did me wrong Baby, what you're doing now, you're pissin' me off  
Uh, but your hair is so luxurious and your lips are so soft  
Anyway you slice it, uh, you're doing me wrong  
But I love the way you walk now and your legs are so long. Well your looks had me putty in your hand now  
But I took just as much as I can stand now And you can walk your long legs baby right out of my life  
So long you did me wrong  
Yeah you can walk your long legs baby right out of my life  
So long you did me wrong From the moment that I met you, I thought you were fine, so fine  
But your shitty fuckin' attitude has got me changing my mind, yeah  
Everybody tells me I need to let go, I know  
But your cocoa butter skin now, has got me beggin' for more Well your heels keep on runnin' through my head  
now  
Tryin' to deal but I'm coming to the end now And you can walk those high heels baby right out of my life  
So long you did me wrong  
Yeah you can walk those high heels baby right out of my life  
So long you did me wrong Tell me why, why do you turn the blue skies cloudy grey  
You know why I can't let you keep treatin' me this way  
You've been chuckin' me around but I kept my eyes shut  
Because you're shaped like an hourglass, but I think the time's up Well your heart is like a black piece of coal  
now  
And I doubt that you ever had a soul now And you can walk your cold heart baby right out of my life  
So long you did me wrong  
Yeah you can walk your cold heart baby right out of my life  
So long you did me wrong  
Just walk it out  
So long you did me wrong  
Leave me alone
