

Recorded Butterflies -Studio Live-

OLIVIA inspi' REIRA (TRAPNEST)

Original / Romaji Lyrics English Translation

Recorded butterflies in the twilight

Sneak out the closet

Kioku wa yashashi sugite zankoku

Quietly stealing the magic

From my view

Samenai yume aloneRecorded butterflies in the twilight

Sneak out the closet

Memories are so kind, they're cruel

Quietly stealing the magic

From my view

I'm in a unawakening dream alone

Stay with me tonight

Kono namida sora de kagayakeru you ni

Stay with me tonight

Furi-sosogu DAIYA no shizuku

Reflect my eyesStay with me tonight

So these tears can shine in the sky

Stay with me tonight

Drops of diamonds pour down

Reflect my eyesI bury it in the back garden

Cover it with sticks and leaves

Kakushita itami no koe afurete

Pink avalanches crash down

And seal my eyelids

Kogoeta mama no my heart

I bury it in the back garden

Cover it with sticks and leaves

The hidden voices of pain overflow

Pink avalanches crash down

And seal my eyelids

My heart remain frozenStay with me tonight

Nagareru hoshi atsuku yami wo suberu

Stay with me tonight

Hikari uke omoidasasete

Hold meStay with me tonight

The flowing stars glide through the darkness burning

Stay with me tonight

Accept the light and make me remember

Hold me Stay with me tonight
Anata to nara ame ni mo utareyou Stay with me tonight
If I'm with you then I can even withstand the rain Stay with me tonight
Kono namida sora de kagayakeru you ni
Stay with me tonight
Furi-sosogu DAIYA no shizuku
Reflect my eyes Stay with me tonight
So these tears can shine in the sky
Stay with me tonight
Drops of diamonds pour down
Reflect my eyes Stay with me tonight
Nagareru hoshi atsuku yami wo suberu
Stay with me tonight
Hikari uke omoidasasete
Hold me Stay with me tonight
The flowing stars glide through the darkness burning
Stay with me tonight
Accept the light and make me remember
Hold me
