

Spaz

N.E.R.D

Hey, I'm a little teapot short and stout
Theres some shake-up'in around me know it's talk, and no doubt
I pop the lid, the lid, its gon be me I gonna no doubt
Nothing'll happen if I don't open my mouthI aint a punk bitch, I don't give a fuck
I'm just bein me and speakin from the gut
Well its a little bit of us, a whole lot of you
And we just came here to see what it doI'm right here, and I aint goinnowhere
You can turn tables and you can throw chairs
I'm right here, and I aint goinnowhere
You can knock doors and tear up, ya'have to air soSpaz if you want to, spaz if you want
Spa-spaz if you want to, spaz if you want to
Spaz if you want to, spaz if you want
Spa-spaz if you want to, spaz if you want toI'm a little teapot blowinoff steam
You put me on the heat, I don't whistle I scream
Bang, bang, fuck a bed fuck a dream
This is rage blowin up your machineI'm a star bitch, I don't give a fuck
Don't be surprised when this bitch start blowin up
Well its a little bit of us, a whole lot of you
And we just came here to see what it doI'm right here, and I aint goinnowhere
You can turn tables and you can throw chairs
I'm right here, and I aint goinnowhere
You can knock doors and tear up, ya'have to air soSpaz if you want to, spaz if you want
Spa-spaz if you want to, spaz if you want to
Spaz if you want to, spaz if you want
Spa-spaz if you want to, spaz if you want toAnd now I'm wakin up layin in the ambulance bed
With somethin in my arm, I gotta get it off
A tattoo with a line that'll read your mind
And next is your mind, I gotta get it offThe shit they spray, attack my lungs everyday
With a creeping decay, I gotta get it off
By attacking these things, I earned my wings
And my halo but first I gotta, get it offI'm right here, and I aint goinnowhere
You can turn tables and you can throw chairs
I'm right here, and I aint goinnowhere
You can knock doors and tear up, ya'have to air soSpaz if you want to, spaz if you want
Spa-spaz if you want to, spaz if you want to
Spaz if you want to, spaz if you want
Spa-spaz if you want to, spaz if you want toI'm right here, and I aint goinnowhere
You can turn tables and you can throw chairs
I'm right here, and I aint goinnowhere

You can knock doors and tear up, ya'have to air soSpaz if you want to, spaz if you want
Spa-spaghetti if you want to, spaz if you want to
Spaz if you want to, spaz if you want to
Spa-spaghetti if you want to, spaz if you want to
