

Cruise Control

The Holdup

I been waiting on someone like you so long
Never really thought that I could fall in love
Told ya baby listen this ain't a commitment
Never knew that I would ever be so wrong
Checkin' out the ratchet girls in the beanies
Starin' at the cut jean shorts and bikinis
I don't even care now, I was unaware how
You could give me everything I need in one[Chorus:]
 Baby you're so close to perfect
 No I don't deserve it
Finally made my mind up, Girl you got me tied up
 (I'll be so depressed)
 We never use a cruise control
 Speedin' down the freeway
 Waitin' till the sun goes down
 Then we gonna lose control
 I'm chillin' with my baby
 Waiting till' the stars come out
Now when the summer is almost over
 The weather is getting colder
I know I'll still have you around I been dreaming bout finding the girl like you
 Give a second thought to everything I do
 Struggled being faithful
 Trying to be an angel
 Promise now that everything I say is true
Used to have a bad girls club in my bedroom
Now I got a full time girl on my schedule
I don't even care now, I was unaware how
Every single thing I needed more is you[Chorus:]
 Baby you're so close to perfect
 No I don't deserve it
Finally made my mind up, Girl you got me tied up
 (I'll be so depressed)
 We never use a cruise control
 Speedin' down the freeway
 Waitin' till the sun goes down
 Then we gonna lose control
 I'm chillin' with my baby
 Waiting till' the stars come out

Now when the summer is almost over
The weather is getting colder
I know I'll still have you around
