If I Stay (Awake)

The Worn Flints

Oh I'd slay a hundred hearts
If it'd prove to you my love
And if you lay down all your air with me tonight girl
Oh I'd thank the lord above

Oh if I stay
Oh if I stay
Oh if I stay
Oh if I stay awake

I'd slay a hundred thousand souls
If it'd prove to you I was a man
But if you'd lay it all to me tonight girl m
Oh I still won't understand

Oh if I stay
Oh if I stay
Oh if I stay
Oh if I stay awake

Oh if I stay
Oh if I stay
Oh if I stay
Oh if I stay awake

And I'd slay a hundred hearts
If I would prove to you my love
And I could cry every single tear in my eye
And I'd thank the lord above

Oh if I stay
Oh if I stay
Oh if I stay

Oh if I stay
Oh if I stay
Oh if I stay

If I stay
Oh if I stay

Oh if I stay
Oh if I stay awake

If I stay awake yeah
If I

If I stay awake
If I stay awake
If I stay awake yeah
If I

If I stay awake
If I stay awake
If I stay awake yeah
If I

If I stay awake
If I
