

Count on You

Hawk Nelson

Next to me, next to me
You are always next to me
When I'm needing You, needing You the most
Holding on, holding on
For my dear life I'm holding on
To You alone, cause You alone are my hope
And I've had
Front row seats to Your faithfulness
A spotlight shining on Your promises
So I can't deny
Cause I've seen it a thousand times
I can count on You
I can count on You
Like a parachute when I fall
A lifeline when I call
You come through
And prove it's true
I can count on You
I can count on
Every word You said to me
You hold the future I can't see
So I believe
No matter where I go
You give me
Front row seats to Your faithfulness
A spotlight shining on Your promises
So I can't deny
Cause it's written all over my life
I can count on You
I can count on You
Like a parachute when I fall
A lifeline when I call
You come through
And prove it's true
I can count on
You
When my strength's not enough
You
When I'm looking for love

You
When I'm standing on the edge
And I've got nothing left
I've got
Front row seats to Your faithfulness
A spotlight shining on Your promises
And I can't deny
You've shown me time after time, that
I can count on You
I can count on You
Like a parachute when I fall
A lifeline when I call
You come through
And prove it's true
I can count on You
I can count on You
I can count on You
(I can count on)
