

# Lonelyville

[Sylvie Courvoisier](#)

Lonelyville

The name of my town is Lonelyville  
Nobody down in Lonelyville  
Nobody here but meLonelyville  
I'm spending my nights in Lonelyville  
Seeing the sights in Lonelyville  
But nothing's here to seePopulation of three  
Just me, myself, and I  
So if you happen to be passing byLonelyville  
Don't let me stay here in Lonelyville  
Not one more day here in Lonelyville  
How I want to go  
Back to where I know  
I will never be lonely...
