

Smile

Marques Houston

Yeah, what's up, girl, how you doin'?
Look my name is MH, know what I'm sayin'?
I think you real cute and all but, uh
I just wanna see you smile, check this out
There's one thing that I must say, baby
That I care for you and I'll do anything for you
(I'll do anything for you, baby, what I say is true)
Beautiful than the sunrise, girl, you can be my paradise
But first you must show me that you can
Smile for me, girl, you're so beautiful to me
And I can be your fantasy
Give you anything you need
Baby, won't you smile for me?
Girl, you're so beautiful to me
And I can be your fantasy
Give you everything you need
Baby, won't you smile?
Girl, listen when I tell ya what's on my mind
To you I will devote my time, to you I'll never tell a lie
And there's so much that I just cannot gesture, why
Why I can't get you off my mind
So girl, you must show me that you can
Smile for me, girl you're so beautiful to me
And I can be your fantasy
Give you anything you need
Baby, won't you smile for me?
Girl, you're so beautiful to me
And I can be your fantasy
Give you everything you need
Baby, won't you smile?
Baby, won't you smile for me?
Baby, won't you smile for me?
Say baby, won't you smile for me?
Baby, won't you smile for me?
Baby, won't you smile for me?
Baby, won't you smile for me?
Say baby, won't you smile for me?
Baby, won't you smile for me?
Smile for me, girl, you're so beautiful to me

And I can be your fantasy
Give you anything you need
Baby, won't you smile for me?
Girl, you're so beautiful to me
And I can be your fantasy
Give you everything you need
Baby, won't you smile?
Smile, smile
Baby, won't you smile for me?
Baby, won't you smile for me?
Say baby, won't you smile for me?
Baby, won't you smile for me?
