

Spasm (live)

Tool

My, out of my mind
My life, I
My mind, out of my mind
My life, I So confident so, self obsessed no
Compromise no, self obsessed no My mind, out of my mind As you stare into the water
Are you scared you'll be forgotten
As you stare into the water? My, out of my mind
My life, I
My mind, out of my mind
My mind, I Compromise no, self obsessed no
Compromise no, self obsessed so
Compromise no, compromise so
Compromise so, self obsessed As you stare into the tide
Are you scared to be forgotten
As you stare into the water? Terrified, terrified, terrified to be forgotten
Terrified, terrified, terrified to be forgotten
Terrified, terrified, terrified to be forgotten
Terrified, terrified, terrified to be forgotten
