

# Naked

## Dev

You got a girl  
That doesn't look a thing like me  
The girl, your mother always said it would be  
So, you could say that, you could say that  
I'm hopeless But that ain't the girl  
That ain't the girl I want you to be  
The girl that keeps me up  
And I see in my dreams  
So, you could say that, you could say that  
I love her So I don't care what they say  
It's our life life life  
We can dance if we want  
Make it feel alright  
Temperature's rising  
I feel the fire  
Tonight, it's just me and you Tell me baby, will you be here when I wake up  
Even with no make up  
I don't want to fake it And you don't gotta doubt a second if I miss you  
Every time I'm with you  
I feel naked Hey! I feel naked, I want it, so let me get it,  
You say you got it, won't you come to get it If I told you girl  
Come and run away with me  
Now would you throw it all away for me  
I need to know that, need to know that  
It's not over Cause you were the boy  
Daddy told to stay away from me  
But you're nothing but a fantasy  
I need to know that, need to know that You'd be strong enough to believe in us Cause I don't care what they say  
It's our life life life  
We can dance if we want  
Make it feel alright  
Temperature's rising  
I feel the fire  
Tonight, it's just me and you Tell me baby, will you be here when I wake up  
Even with no make up  
I don't want to fake it And you don't gotta doubt a second if I miss you  
Every time I'm with you  
I feel naked Hey! I feel naked, I want it, so let me get it,  
You say you got it, won't you come to get it I don't care what they say

It's our life life life  
We can dance if we want  
Make it feel alright  
Temperature's rising  
I feel the fire  
Tonight, it's just me and you  
Tonight, it's just me and you So Tell me baby, will you be here when I wake up  
I feel naked  
I feel naked I want it, so let me get it,  
You say you got it, it's The Cataracts I feel naked, I want it, so let me get it  
You say you got it, won't you come to get it Tonight, it's just me and you
