

Bros (NOW Whatâ€™s Next!)

Wolf Alice

Shake your hair, have some fun
Forget our mothers and past lovers, forget everyone
Oh, I'm so lucky, you are my best friend
Oh, there's no one, there's no one that knows me like you do
Remember when we cut our hair
Both looked like boys
But we didn't care
Stick it out together like we always do
Oh, there's no one, there's no one quite like you
Oh
Jump that 43
Are you wild like me
Raised by wolves and other beasts
I tell you all the time
I'm not mad
You tell me all the time
I got plans
Oh
Jump that 43
Are you wild like me
Raised by wolves and other beasts
I tell you all the time
I'm not mad
You tell me all the time
I got plans
Me and you
Me and you
Me and you
We could do better, I'm quite sure
Me and you
Me and you
Me and you
We could do better, I'm quite sure
Me me me, me me and you
Me me me, me me and you
