If I Steal a Kiss

[Frank Sinatra](#)

If I steal a kiss, dear
I'll surely return it someday
If I steal your dreams, dear
I'll bring them back some wayIf I steal your moonlight
I'll bring it back more divine
But if I steal your heart, dear
I'll keep it close to mineIf I steal your moonlight
I'll bring it back more divine
And if I steal your heart, dear
I'll keep it close to mine
I'll keep it close to mine
