Why Don't You Love Me

Intro

Why don't you love? Why don't you love? Why don't you love?
Why don't you love me the way that you used to?
Tell me your love has not disappeared
All that I have is a broken heart when your love isn't here, here, hereYou and I have got to realize
That without lovin' a house is not a home
Lately, you've changed my life and it just ain't right
Though I love you I feel aloneWhy don't you love me the way that you used to?
Tell me your love has not disappeared
All that I have is a broken heart when your love isn't here, here, hereI thought that we could live a fantasy
Nothin' but sunny days, baby, no pain
I've come to know for love to grow you gotta take some rain
That don't mean for our love to be true
You gotta change the way I'm lovin' youWhy don't you love me the way that you used to?
Tell me your love has not disappeared
All that I have is a broken heart when your love isn't here, here, hereWhy don't you love? Why don't you love?
Why don't you love? Why don't you love?Why don't you tell me? Why don't you love me?
Why don't you need me? Why don't you love me?
Tell me, tell meWhy don't you love me the way that you used to?
Tell me your love has not disappeared
All that I have is a broken heart when your love isn't here, here, hereWhy don't you love me the way that you used to?
