

Help Is On the Way

Doyle Lawson

A woman in the bible days, her last meal almost gone
But god sent elijah to make his word known.
He said woman don't you worry, for god sent me today,
And before you even asked him, help was on the way.

Chorus

Just hold on a little longer, help is on the way.
A better day is coming, for those who believe and pray.
Help won't help tomorrow, if you give up today,
Just hold on a little longer, help is on the way.

Troubles of this life come by, and burdens get you down,
You think no one is listening, you think no one's around.
Just remember what his word says, trust him and obey,
Keep your eyes towards the heavens, cause help is on the way.

Chorus

Just hold on a little longer, help is on the way,
A brighter day is coming, for those who believe and pray.
Help won't help tomorrow, if you give up today,
Just hold on a little longer, help is on the way.
No help won't help tomorrow, if you give up today,
Just hold on a little longer, help is on the way.
