Start The Party

Camp Rock

Yeah, first off hit the groove, let the music play
Next stop everybody, its time to celebrate
Baby go so lets go show, make the dreams you got become real
Let's do this, let me hear you, now show me how you feelLets start, start, start the party
Come on, come on everyone
Let's start, start, start the party
What you waiting for now?Start, start, start the party
Come on, come on, live it up
Let's start, start, start the party
I know you never gonna wanna stopStand up and do the dance, the way you do
I-I can see all the crowd on the dance floor with this groove
Baby go so lets go show, like you never ever did before
Let's do this, let me hear you say more, more, moreLets start, start, start the party
Come on, come on everyone
Let's start, start, start the party
What you waiting for now?Start, start, start the party
Come on, come on, live it up
Let's start, start, start the party
I know you never gonna wanna stopLet the music take us
Every time, just close our eyes
Feel the grove, wanna shake us
Everywhere, and everybody, turn it up and start the partyWe got it rolling, never slowing down
Lights, camera, action, start the party now
I know youre ready there's no need to wait
Now's the time for us to celebrateStart, start the party

What you waiting for now?Start, start, start the party
Come on, come on, live it up
Let's start, start, start the party
I know you never gonna wanna stopLets start, start, start the party
Come on, come on everyone
