

You (feat. Mississippi)

Bobo Norco

[Verse 1] - Bobo Norco
I never met one so true
That's why your number one not two
So don't ask me who,
Your feet don't fit on limbs cuz it's you girl
You want me to come swoop you
You don't know i might coop
You the one i give keys to
Please,[Hook] - Mississippi
Your the best that i ever had(x2)
You - They don't get money like
You - Stay up all night
You - They don't make me feel like
You - They don't love me[Verse 2] - Bobo Norco
She got it when i don't got it
yeah she hold me down like that
Stay awake on a playa, nah
you don't got it like that
Both hands in the air it's a touch down
Louie bag first class when you touch down
Goose feathers on the bed she only touch down
And she get so mad she can bust rounds
Ain't nothing gonna hold you back
I don't know if i told you that
And if it get's to real, I know your gonna be there still
And if looks can kill, bang bang
caught a body shot him in the head
if you was a seven would of only caught him in the leg
but you a ten and now it's dead so it's like i said[Hook] - Mississippi
Your the best that i ever had(x2)
You - They don't get money like
You - Stay up all night
You - They don't make me feel like
You - They don't love me[Bridge] - Mississippi
Standing across the dance floor
Girl Girl you make make me want more
Never made love in the club before
So tonight let me get you off
You got that zing i like
I can make you touch the sky
In your eyes is telling me, your down rite
Your body it bang, I wanna hit it like i'm
goin out of my mind and i aint lying
And the world is our one night, one hour,

Champagne showers on you[Hook] - MississippiYour the best that i ever had(x2)

You - They don't get money like

You - Stay up all night

You - They don't make me feel like

You - They don't love me
