

Tell You Something (Nanaâ€™s Reprise)

Alicia Keys

Get so caught up everyday
Tryna keep it all together
While the time it slips away
You see I know nothing last forever Imagine there was no tomorrow
Imagine that I couldn't see your face
There would be no limit to my sorrow
So all I can say I wanna tell you something, give you something
Show you in so many ways
'Cause it would all mean nothing if I don't say something before it all goes away
Don't wanna wait to bring you flowers, waste another hour let alone another day
I'm gonna tell you something, show you something, won't wait till it's too late (I can't wait, I can't wait, I won't
wait, I don't wanna wait)
(I can't wait, I can't wait, I won't wait, I don't wanna wait) Just a simple conversation
Just a moment is all it takes
I wanna be there just to listen
(I wanna be here)
And I don't wanna hesitate Imagine there was no tomorrow
Imagine that I couldn't see your face
There would be no limit to my sorrow
'Cause there's nothing that could fill that space
I don't wanna put it off for too long
I didn't say all that I had to say
I wanna take my time and right the wrong before we get to that place I wanna tell you something, give you
something
Show you in so many ways
'Cause it would all mean nothing if I don't say something before it all goes away
Don't wanna wait to bring you flowers, waste another hour let alone another day
I'm gonna tell you something, show you something, won't wait till it's too late Just lean on my shoulder,
It's not over till it's over
Don't worry about it cause
I'm gonna make sure our bond gets stronger
I don't wanna wait till the storm and something wrong and now you're gone and I can't find you I wanna tell
you something, give you something
Show you in so many ways
'Cause it would all mean nothing if I don't say something before it all goes away
Don't wanna wait to bring you flowers, waste another hour let alone another day
I'm gonna tell you something, show you something, won't wait till it's too late I wanna tell you something, give
you something
Show you in so many ways

'Cause it would all mean nothing if I don't say something before it all goes away
Don't wanna wait to bring you flowers, waste another hour let alone another day
I'm gonna tell you something, show you something, won't wait till it's too late I can't wait, I can't wait, I won't
wait, I don't wanna wait
I can't wait, I can't wait, I won't wait, I don't wanna wait
I can't wait, I can't wait, I won't wait, I don't wanna wait
I can't wait, I can't wait, I won't wait, I don't wanna wait
