

Ray Gun

Thin Lizzy

I know someone
Doesn't believe in God
Someone I know
He doesn't even know GodHe came from a planet
Three thousand miles away
Just a short trip
A kind of brief holidayCan you give someone
Somewhere to stay?
I gotta warn you, he's gotta gun
I gotta warn you, he's gotta gunI know someone
Came on a short trip
Traveling lightly
Traveling by spaceshipHe came from a planet
Three thousand miles awayCan you give someone
Somewhere to stay?
I gotta warn you, he's gotta gunOh look out woman
A ray gun
