## Dave Matthews & Tim Reynolds

(chanting)praise God, who has many names  
but the devil has many more  
and with the love that my mother gave me  
I'm gonna drop the devil to the floorI'm gonna drop the devil to his knees  
I'm gonna drop the devil to his kneesthere's always someone who'll try to convince you  
that they know the answer no matter the question  
be wary of those who believe in a neat little world  
because it's just fucking crazy, you know that it is(chanting)walking along in this haze of confusion  
sometimes I can laugh but at times it takes all of my strength  
just to find enough reason to take the next step  
step, but I will, but I will, 'til I do(chanting)brother, sister, brothers, sisters  
brother, sister, brothers, sisterspraise God who has many names  
but the devil has many more  
and with the love that my mother gave me  
I'm gonna drop the devil to the floorI'm gonna drop the devil to his knees  
I'm gonna drop the devil to his kneesstrange evolution, that people have come to believe  
that we are its greatest achievement  
when really we're just a collection of cells overrating themselves  
hello God, I'm avoiding the truth(chanting)I'm gonna drop the devil to his knees  
I'm gonna drop the devil to his knees(chanting)
