Tell Me So

Donnie Elbert

Darling, I want to know if you don't, don't need me. Please tell, tell me so,
Darling, please let me know if you don't, don't want me. Please tell, tell me,
So am I wasting, am I wasting my time.
Do you belong to somebody else?
Will you ever, ever be mine?
Am I a toy, to keep on the shelf?
Well Darling,I love, love you so, but if you dont, don't love me,
Please tell, tell me so,
I say tell, tell, tell me so.
Please tell, tell, tell me so.
