

# Got a Woman

## Eagles of Death Metal

I got a woman see you moving down the line  
She's always rolling and she's rolling just fine  
If you want to keep her moving you going to burn her like gas  
I got me a woman, love to shake her assWoahCome on baby, get moving  
Get moving, get moving  
Come on baby, get moving  
Get moving, get moving  
Come on baby, get moving  
Get moving, get moving  
Come on baby, get moving  
Get moving, get movingSo maybe woman said I had the right light  
So maybe woman told me I hit it right on time  
You want to break the motor but it's just a waste of gas  
I said I got me a woman, love to shake her ass
