

# When It Rains It Pours

## Merle Haggard

Yeah, it's 50

One shot, one kill, what's the deal?

Yeah, what's the deal?

Listen lil' homie, when it rains it pours

Hollow tips and tallids, when it rains it pours

Get caught in lead showers just because

Niggaz ain't playin', when it rains it pours

Niggaz get set up, that's when it rains it pours

End up, wet up, that's when it rains it pours

It usually, goes down over money and whores

But lil' homie in my hood, when it rains it pours

Ain't nothin' changed, niggaz doin' the same ol' shit

Them new hollow tips in them same ol' clips

In the projects, niggaz fuck with the same ol' chicks

And somehow, they still think that they game is so sick

Now from the rip, niggaz know I'm 'bout my grip

I don't trick, man I barely even feed a bitch

She say I'm stingy, I say, "I don't need you bitch"

Go 'head leave, see if I chase you, shit

Tell yo' mammy, I catch her in the streets I'ma get her

She know I'm on parole, why she call police on a nigga?

She just mad, 'cause a nigga pockets on swole

When she ask to borrow some, I say hell naw

I was tellin' the lil' homies all about this shit

To keep yo' mind on yo' money and don't trust no bitch

Keke hit high notes, when them kids came

But her ass kinda fat, so niggaz treat her the same, this is real

Lil' homie, when it rains it pours

Hollow tips and tallids, when it rains it pours

Get caught in lead showers just because

Niggaz ain't playin', when it rains it pours

Niggaz get set up, that's when it rains it pours

End up, wet up, that's when it rains it pours

It usually, goes down over money and whores

But lil' homie in my hood, when it rains it pours

There was blood stains on my stoop, when Akbar got shot

When homicide outside, nigga I'm not

This the third time them niggaz done circled the block

It's money out now yeah, but damn it's hot

They'll love to catch a nigga, on a direct sale  
They say, "Tell us who caught the body, or you goin' to jail"  
Look, if you know the drill you stay the fuck outta Dodge  
And say, "What's happenin'?", to the captain  
And say, "What's up?", to the sarge  
Fuck bein' in a cage man, that shit for the birds  
Charlie drunk, drinkin' wild Irish rose on the curb  
I know a spot full of niggaz tryin' to bet a few bucks  
Hopin' they number come out, they can have 'em some luck  
Queen, ace to the deuce, and stumbled off mad  
Lost his re-up money man, that's all he had  
Magazine from the store, so he could look at the cars  
And do pull-up's in the park, on the monkey bars, mad as fuck  
Lil' homie, when it rains it pours  
Hollow tips and tallids, when it rains it pours  
Get caught in lead showers just because  
Niggaz ain't playin', when it rains it pours  
Niggaz get set up, that's when it rains it pours  
End up, wet up, that's when it rains it pours  
It usually, goes down over money and whores  
But lil' homie in my hood, when it rains it pours
